About Bruntwood

At Bruntwood, we are led by one purpose: Creating Thriving Cities. Our deep connection with the cities we work in sets us apart; and for more than forty years, everything we have achieved has been with this purpose in mind.

We create buildings, workspaces, innovation, retail, tech and science facilities that are connected, balanced, sustainable and inclusive. Places people want to live, work and play in.

We aim to reflect the communities we work in. Welcoming diverse opinions, creative ideas and talent enables us to understand our customers and communities better, and see the world a little differently.

We're also committed to investing in areas where our expertise can have the most impact, with around 10% of annual operating profits going to local causes, both directly and through the Oglesby Charitable Trust. Proud supporters of the arts, we work alongside many organisations to elevate arts and culture across our cities, such as Manchester International Festival, as well as The Royal Exchange on the Bruntwood Prize for Playwriting.

Shape your World

Everything we do comes down to our five values. In practice, these will mean something unique to every person at Bruntwood, but if you're considering working here, give them some thought. They've been at the heart of our story for over 40 years. Take a look at our [video](#) to find out more
