About Bruntwood

At Bruntwood, we are led by one purpose: Creating Thriving Cities. Our deep connection with the cities we work in sets us apart; and for more than forty years, everything we have achieved has been with this purpose in mind.

We create buildings, workspaces, innovation, retail, tech and science facilities that are connected, balanced, sustainable and inclusive. Places people want to live, work and play in.

Bruntwood Works, the division taking care of our work and lifestyle spaces, is changing the way people work by creating inspiring environments that help people and businesses to flourish across Manchester, Leeds, Liverpool and Birmingham.

Bruntwood SciTech, our science and technology division, owns and manages the largest portfolio of science and technology assets in the UK including prestigious locations such as

Manchester Science Park, Alderley Park in Cheshire and Platform in Leeds.

We aim to reflect the communities we work in. Welcoming diverse opinions, creative ideas and talent enables us to understand our customers and communities better, and see the world a little differently.

We're also committed to investing in areas where our expertise can have the most impact, with around 10% of annual operating profits going to local causes, both directly and through the Oglesby Charitable Trust. Proud supporters of the arts, we work alongside many organisations to elevate arts and culture across our cities, such as Manchester International Festival, as well as The Royal Exchange on the Bruntwood Prize for Playwriting.

Buildings and space is just the start of our story, we create thriving cities for all.

Shape your World

Everything we do comes down to our five values. In practice, these will mean something unique to every person at Bruntwood, but if you're considering working here, give them some thought. They've been at the heart of our story for over 40 years. Take a look at our [video](#) to find out more

We really believe that if you're brilliant to work with, you deserve brilliant things in return - from the big important stuff like up to 8% matched pension, 25 days holiday,

private healthcare, employee share scheme and enhanced maternity and paternity leave. Through to the "small perks" that help you out with the little things that matter just as much. At Bruntwood we might work hard, but we have the benefits and rewards in place to help you find that balance and enjoy life too.

**So, work with us and
shape your world..**

**Dream &
deliver**

**Never sit on
the sidelines**

**Be creatively

Role Profile

The role: Facilities Team Member

Building:

Salary:

The Facilities Team Member works across a group of buildings, carrying out maintenance and caretaker duties to uphold the highest standards as part of Bruntwood's service to their clients.

What you do:

- Maintain high standards of presentation around the entrance and surrounding grounds to the building as well as all common parts including Showers, lifts, toilets and corridors
- Open and lock up of buildings where required
- Provide support for meeting rooms and serviced space by preparing rooms in advance for customers
- Ensure vacant suite checks are performed and suites are maintained to a high standard
- PPM's including fire testing, Water temperature Checks and Emergency lighting.
- Ensure the effectiveness of all plant, equipment and fabric to deliver the required Customer Service and Operational Standards
- Complete regular building standard checks and inspections
- Monitor and complete jobs
- Positive Intervention - Health and safety immediate concerns. (training to be given)

What we're looking for:

- Ultimately we are looking for a 'can-do' attitude. Someone who is enthusiastic and flexible, adapting to a role where no day is the same
- Someone who enjoys working as part of a team. We have a great working environment here at Bruntwood and therefore we are keen for people to join who want to be part of a collaborative, positive working environment
- Training will be provided on the role but any experience in maintenance would be beneficial but not a must
